

## **MEMORY TESTING COMPETITION**

One of the vital skills which a law student should possess is 'Memory'. In this regard the memory testing competition is organized annually by the library committee.

### **Aims & Objectives**

- A memory test aims to improve the students' short-term memory and speed-recognition skills.
- The object is to measure a person's ability to hold visual images and spatial perception in their mind.

### **Who can participate?**

An individual student from 5 years B.A, LL.B/3 years LL.B can participate in the competition.
