Vijayaraj Sinchia was member of lok sabha. He came to vote for Vajpayee to prove majority. He came all the way from hospital in stretches and voted in lobby. But still Atal ji s govt fell. Press gathered outside parliament who forced to spoke to rajmatha. She happily accepted the call of press. The very first question asked- atal ji s govt fell and which Govt will come. Congress Govt will come. Who aane do. Madhav Rao will he come? Is he not your son? Don't you like him to be the Prime Minister. She said Atal ji is my son too. Further he addressed students as to what they like to become? Putra or Suputra. Life's main aim is- "Asathoma sadgamaya thamasoma jothirgamaya. Mrithonma amruthangamaya." We have to develop education which takes us towards light. That which removes darkness beneath me is knowledge. Death is certain but there is no death for knowledge and your success. We have crossed the age of adolocent. We have to treat our children as friends when they cross that age.

Nothing is impossible in this world. Swami vivakananda said- A frog came to sea and said to a frog in well and asked there is big world than this well.

Pancha sutras- firstly any person should be

1. Punctual.
2. Diary- writing
3. Friendship/companion we keep
4. Dedication towards work
5. "Jaise aan vaise man". Health both mental and body is important.
