

## **SPECIAL LECTURE ON TIPS FOR JUDICIAL EXAM PREPARATION**

On 5<sup>th</sup> April 2019, a special lecture on Tips for Judicial Exam preparation was organized for Final Year students of our college. Sri Hanumanthu, Alumni of our college and presently serving as Civil Judge (Jnr Div), Ramnagaragave some inputs on judicial exam preparation, subjects to be covered etc. Addressing the gathering he said that students should firstly make their mind for preparation. Interest for preparation matters and it begins from the day they join the law course. He explained about the syllabus of the exam which covers all the procedural laws and also translation paper from Kannada to English and English to Kannada. One can practice this by reading bare acts of the laws. The exam is conducted at three stages Preliminary, Mains and Viva voce. The candidates who qualify in both Preliminary and Main exam shall be called for viva.

He advised the students to firstly choose their interest either to practice or to opt for serving judiciary. In this regard they should prepare from the core and practice all the procedural laws. He also mentioned that today though a candidate appearing for examination doesn't require previous particle experience, it is required from the point of service. Any fresh candidates are not able to understand the court proceedings and they are finding it hard to learn in the course of their training which is given for one year.

He also advised students to take judicial service seriously as it is one of the best options as a carrier and also as a profession which is meant to serve society by giving justice. Students who hold an idea of service to society can choose this profession as it gives complete satisfaction on service to society. In the course of his lecture he also advised students to stick to professional ethics as judiciary is the highest organ meant to uphold justice. One should not be money minded as this profession is not only service but also a prayer to god. Nothing should be done against our conscious but in judiciary nothing should be done without considering the proper evidence in any case.

A vote of Thanks was proposed by SmtSridevi Krishna, Asst. Professor
