Report of Outreach programme

On

Violation of Human Rights and its Remedies

2021-2022

On 21st July 2022 Outreach Programme was organized on the theme “Violation of Human Rights and Its Remedies” at Government PU College Nagunahalli Village, Srirangapattana Taluk, Mandya District at 2 PM. This programme was presided over by Sri Swamy, Principal Govt PU College Nagunahalli Village. In this programme co-ordinator Dr Prakruthi A R gave information about the topic and final year students Pallavi, Pooja, Puttaswamy, Vedavarshini and Puneeth explained about Human Rights violations, Protection of Human right, implementation of Human Rights in India and also explained about role of Human Right commission giving some examples. This programme concluded with presidential address by Principal Sri Swamy. In his speech he pointed out importance of awareness of human rights by the students in the contemporary world. The World Health Organization research has shown that people struggling of human rights violations are those who were already facing considerable challenges, the people with long term health conditions, or facing discrimination, or parenting on their own. That is why India has launching

Finally the programme concluded with vote of thanks by Varshith P II LL.B (3Yrs) student. This outreach programme was witnessed by I and II PUC students and faculty members of the college.
